Support, recruiting, and retail leader who gets people and problems moving. Top 5% at Apple, 95% client satisfaction in support, and ten years of putting people first.

EXPERIENCE

Starbucks | Shift Supervisor *January 2025 – Present*
Irvine, CA

- Ran $8K–$10K sales days serving 500+ customers, leading teams of 2–5 and covering opens, closes, and other stores when short-staffed.
- Cut weekly waste 15%+ by aligning inventory with sales trends and demand.
- Switched to larger cold brew containers, raising batch capacity 5x and saving an hour of daily prep.
- Moved routine morning prep into closing procedures, saving 30–40 minutes and freeing staff for peak service.

Ambient Property Technologies | Client Operations Specialist *January 2024 – January 2025*
Remote
Smart-home technology startup serving apartments, townhomes, and resorts.

- Maintained 95% client satisfaction while resolving 250+ monthly cases across 50 properties.
- Documented repeatable hardware fixes in Confluence, reducing Engineering escalations across the team.
- Answered every overnight on-call escalation, including after-hours lockouts, coordinating technicians and part shipments to get properties back up and running.
- Helped hire a new teammate, evaluating interviews and work samples in Greenhouse and recommending the successful candidate.

Merge IT | Technical Recruiter *February 2022 – December 2023*
Remote

- Earned repeat business from Disney, Morgan Stanley, and Johnson & Johnson through strong candidate matches and responsive communication.
- Filled a stalled Johnson & Johnson search in rural Minnesota by identifying a qualified candidate in two weeks.
- Cut average hiring time from 45 to 32 days by building targeted candidate pipelines for recurring openings.
- Converted 50% of contract placements into permanent hires for enterprise clients.

Apple | Sales Specialist, Expert, Lead, Technical Expert *November 2016 – February 2022*
San Francisco & Mission Viejo, CA

- Ranked among Apple's top 5% of Sales Specialists for consecutive quarters, advancing through four roles in five years.
- Kept a $160K–$200K/day store running through Apple's COVID reopening, coordinating 30+ employees and redesigning floor zones, demos, and tech support around plexiglass stations.
- Coached 15+ Specialists one-on-one on priorities and day-to-day challenges, building their confidence and helping one earn promotion to Expert.
- Delivered white-glove guest service at four major Apple events, including the Apple TV+ unveiling, WWDC19, and Apple Park celebrations.
